**SUMMARY OF TELEPHONIC INTERVIEW**

An interview was conducted by telephone between Examiner Ke, Examiner Sax and Applicants' representative, John Golian, on October 26, 2007. The interview was initiated by Applicants' representative to discuss claim amendments to put the application in condition for allowance. Applicants submit this Summary setting forth a statement of the substance of the interview pursuant to MPEP § 713.04.

**Brief Description of the Nature of any Exhibit Shown or any Demonstration Conducted:**

No exhibits were shown and no demonstrations were conducted.

**Identification of the Claims Discussed:**

The independent claims were discussed.

**Identification of Specific Prior Art Discussed:**

U.S. Patent Application Publication No. 2001/0028368 (Swartz).

**Identification of the Principle Proposed Amendments of a Substantive Nature Discussed:**

Amendments to the independent claims to put the claims in condition for allowance were discussed. In particular, the Examiners suggested particular claim language that would overcome the current rejections in the final Office Action. Applicants have submitted a proposed listing of claims incorporating the suggested claim language.

**The General Thrust of the Principal Arguments of Applicant and the Examiner:**

None.

**General Indication Of Any Other Pertinent Matters Discussed:**

The Examiners kindly indicated that they believed the proposed claim amendments would overcome the prior art of record. The Examiners also indicated that a search would be performed, and if no new relevant art was found to support a rejection, an Examiner's amendment would be entered with the discussed claim amendments and a notice of allowance issued.

Respectfully submitted,

/John S. Golian/
